“They are wrong. We can do more and be more, if only the world gives us a fighting chance.” — Brina Kei Maxino

When Brina Kei Maxino was young, a psychologist told her parents that she might not finish grade school.

Brina proved that prediction wrong.

Born with Down syndrome, she completed preschool, grade school, and high school in regular schools—and graduated high school as class valedictorian.

She later earned a Bachelor of Arts degree major in History from CAP College Foundation. Before completing her college degree, she also finished a one-year course in General Clerical Skills and a two-year Associate in Arts program.

Her journey was shaped by hard work, family support, and the determination to keep learning despite the limits others placed on her.

Brina studied in regular schools, experienced bullying, and faced rejection from people who underestimated her ability. But she kept moving forward.

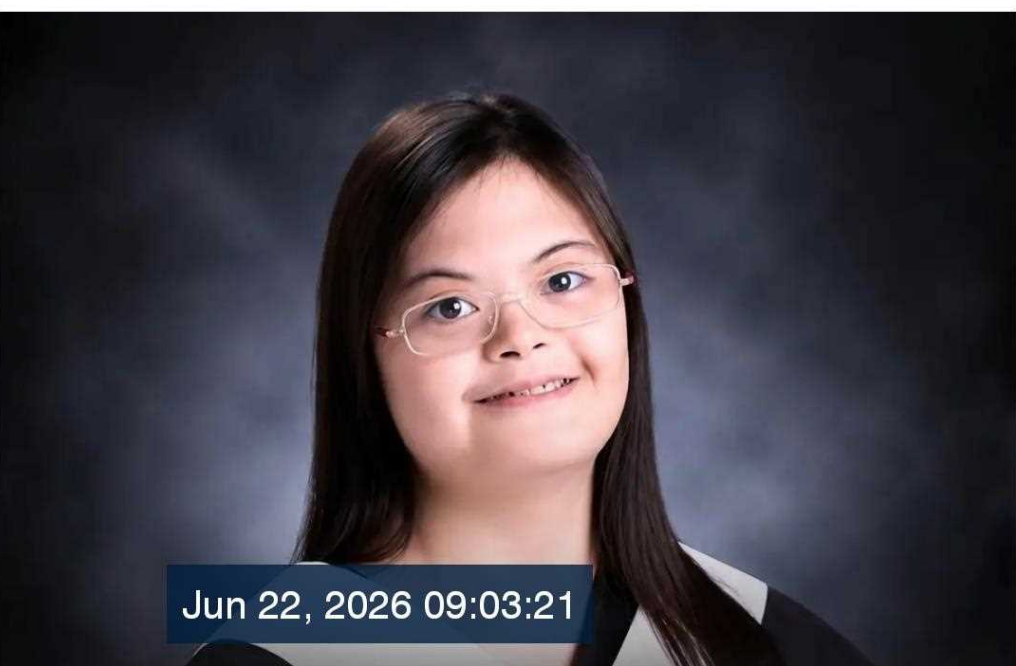

Brina studied in regular schools, experienced bullying, and faced rejection from people who underestimated her ability. But she kept moving forward.

Today, she works as an assistant teacher, advocates for inclusive education, and serves as a Special Olympics Sargent Shriver International Global Messenger. She was also selected as a Special Olympics Global Youth Ambassador representing the Asia Pacific Region.

Brina’s story affirms that disability does not erase intelligence, potential, or ambition.

When learners are given support, access, respect, and opportunities to grow, they can define success on their own terms.

Padayon, Future Iskolar ng Bayan.

MAINSTREAM MEDIA VS BLOGGERS

Hindi platform ang laban. Proseso ang sukatan.

1. Ang journalism ay may editor, verification, correction, at legal accountability.
2. Ang propaganda content ay madalas una ang conclusion, huli ang ebidensya.
3. Hindi porke viral, totoo. Hindi porke maraming views, verified.
4. Kung mali ang report, sagutin ng dokumento at ebidensya — hindi ng sigaw na 'fake news.'
5. Hindi banal ang media, pero mas may proseso silang managot kaysa sa content farming na may agenda.

“VIRALITY IS NOT VERIFICATION.”

Ang katotohanan ay hindi napagdedesisyunan ng algorithm.

Abelardo de la Espriella, a rightwing Trump-loving populist who calls himself “The Tiger”, appears to have won the second round of Colombia’s presidential election on Sunday, halting the South American nation’s foray into leftist politics.

De la Espriella, a [fiery former criminal defence lawyer](#) who has pledged to build mega-prisons in the rainforest to combat rising crime rates, won 49.65 per cent of the vote with 99.70 per cent of ballots tallied in an initial count on Sunday evening.

‘DI KAYO PALALAMPASIN NG INC’

Naglabas ng pahayag ang DDS blogger na si Yuki Clyde kaugnay ng mga usap-usapang posibleng pag-aresto kay Sen. Rodante Marcoleta kaugnay ng mga kasong kinahaharap nito.

Matatandaang sinabi ni Marcoleta na handa siyang sumama nang mapayapa sa mga awtoridad kung may ipalalabas na warrant laban sa kanya.

Sa kabila nito, may ilang tagasuporta ng senador ang nagpahayag ng suporta at pagtutol sa posibilidad ng kanyang pag-aresto.

“Galawin nyo si Sen. Marcoleta, di kayo palalampasin ng INC,” ayon kay Yuki Clyde.

Sa kasalukuyan, wala pang opisyal na kumpirmasyon mula sa mga awtoridad hinggil sa anumang warrant of arrest laban kay Marcoleta.

STATEMENT

I would like to apologize to the entire MotoGP community for my behavior toward the trackside marshall.

I'm also sorry because I know how much effort and sacrifice marshalls make to ensure our safety.

This behavior shouldn't happen and there is no justification for it.

I apologize to everyone, Aprilia Racing and all my fans.

A parishioner sent me this photo last night.

Dismissed mayor and Duterte narco-lister Jed Mabilog, who was appointed blah blah blah for charot charing, has no respect to the solemnity of the Holy Mass. He was restless, roaming around with a phalanx of armed bodyguards and shaking the hands of everyone. He turned the mass into a political caucus and premature campaigning.

A classless act.

The photo sender and many others felt annoyed by Mabilog's presence and his lack of respect and courtesy for the church.

Kayuha batasan mo Jed!

Nagbago ba ang ihip ng panahon ngayong sinusuportahan ni Win Gatchalian ang paglilitis kay Sara Duterte? Oo!

Hindi ito pagta-traydor sa mga Duterte. Ito ay para mapatunayan ni Sara na wala siyang sala, o mapanagot kung meron.

Pilipinas ang ipaglalaban. Hindi ang Marcos. Hindi ang Duterte. Hindi ang Aquino. Hindi kahit na sino.

Note: Minarcos ko lang itong litrato na umiikot online.

FROM THE BEST BATTERY FOR DIESEL.

Imarflex **D-ZEL KING** REMINDERS

BEFORE GOING ON THAT LONG TRIP

Jun. 22, 2026 PHCA-2026H1-8785

DRPSPHCA.com

- ☒ **CHECK LEVEL OF CHARGE**
Have your automotive battery checked for its state of charge. Over the normal level of charge will be detrimental to your battery.
CAUTION: The gases that form at the top of the battery cells during charging are very explosive. Never light a match or cigarette near a recently charged battery.
- ☒ **CHECK ELECTROLYTE LEVEL IN ALL CELLS**
Add enough distilled water if the level is low but never refill with electrolyte solution.
WARNING: Sulfuric acid, the active ingredient in the battery solution is very corrosive. It can destroy most things it touches.
- ☒ **VISUAL INSPECTION**
Look at the battery for signs of leakage. White corrosion on the battery carrier, fender, and inner panel of the car frame are leakage signs that indicate a cracked battery casing.
NOTE: A common cause of cracked battery casing is excessive tightening of the hold-down clamps.
- ☒ **USE PERFORMANCE BATTERY**
When in doubt with regards to the dependability of your present battery, replace it with a new one.
RECOMMENDATION: Imarflex D-ZEL KING has been designed for diesel-fed engines. It reduces pre-heating time by as much as 30%. While recommended for diesel, D-ZEL KING may also be used for gas-fed engines. When used on gas, its lifespan increases by 30%.

D - ZEL KING is also available in open polypropylene casing.

**WE'RE BACK!****101.5 Love Radio and 94.3 DZRH News FM Return to the Airwaves in General Santos after the Massive Earthquake**

June 20, 2026

Barely 12 days after the earthquake that severely affected our operations, 101.5 Love Radio and 94.3 DZRH News FM are back on the air.

Following intensive rebuilding efforts, both stations have successfully resumed broadcasting.

While we lost our home, we never lost our commitment to serve our listeners.

Our focus remained clear: to restore our operations as quickly and safely as possible and continue providing entertainment and public service to our audiences.

Today, from a new broadcast facility, we are once again reconnecting with General Santos.

We are deeply grateful to our listeners, supporters, brand partners, local government units, and countless individuals who offered assistance, encouragement, and prayers.

Your unwavering support strengthened our resolve and reaffirmed the enduring connection we share with the community as it recovers and rebuilds.

We are back, and more determined than ever to continue serving the people of General Santos.

“Hindi pa ba ninyo nalalaman kung bakit ngayon, ayaw namin ng impeachment? I am tired of answering all those things” sagot ng isa sa mga taga-suporta ng bise nang tanungin ang grupo kong bakit tutol silang ma-convict ang pangalawang pangulo. | via Jessie Cruzat, ABS-CBN News

Let me fact-check you: The owner of every frequencies of radio and television in the Philippines is the Philippines itself thru National Telecommunications Commission.

he claimed "Nakaw na May-ari" ng AllTV ang Villar Family.

Let me fact-check you once again: AllTV is a brand name for television, while its owner Advanced Media Broadcasting System (AMBS) on the other hand is their corporate name, in other words, the AllTV brand is still owned by AMBS.

hindi po nakaw yun. because AllTV got their license from ABS-CBN since January 02 to air the entire Kapamilya Channel programming until it adapt the "ABS-CBN" co-branding last March 16 along with Kapamilya Channel on pay TV and Kapamilya Online Live on streaming, making AllTV a full-fledge free-to-air counterpart for Kapamilya Channel alongside their co-affiliate A2Z.

ROBIN, HINDI BATAS ANG PROBLEMA. IMPLEMENTASYON

Panic-based legislation is not policy.

- 1** **JJWA ≠ free pass sa krimen.**
- 2** **15 to 18 years old: may pananagutan kung may discernment.**
- 3** **Goal ng batas: accountability + intervention + rehab.**
- 4** **Kung sabaw ang rehab, social workers, at Bahay Pag-asa, sabaw din ang resulta.**
- 5** **Hindi si Kiko o ang JJWA ang nagtuturo ng krimen. Fake news ang 'walang parusa ang menor.'**

Homicide: hanggang 20 years lang. Kung 15 yrs old ang pumasok at walang rehab, 35 yrs old na ang lalabas. At puwede pang bumalik sa krimen.

Kaya ang tunay na tanong: paglabas ba niya, rehabilitated na — o mas malaking banta sa lipunan?

Robin Padilla

Rest in peace Oliver Tree Nickell June 29th, 1993 - June 14th, 2026

Your legacy will live on forever ❤️ Thank you to everyone who has reached out, shown love, support and has done incredible tributes for Oliver. The constant love, support and positivity is helping the family, friends and collaborators make it through these extremely difficult times.

Oliver is now back in California where he can finally rest. His legacy will live on through his foundation/endowment named "Dr. Oliver Tree's Extremely Epic Grant For Baby Geniuses" coming soon. This is something that Oliver had put together before his passing, written in his will. We will make sure his wish comes to fruition so that more joy, love and art can be spread into the world, that was his final wish.

Love you all so much, Oliver would be so proud of every one of his supporters, friends and family.

Peace be with Oliver ... ❤️

LALAKI, NASAWI SA AWAY-LUPA SA ZAMBOANGA DEL NORTE; SUSPEK SUMUKO

NAUWI sa malagim na insidente ang alitan sa lupa sa Barangay Mauswagon, Godod, Zamboanga del Norte nitong Hunyo 21, 2026, matapos masawi ang isang lalaki at pinugutan pa ng ulo.

Nag-ugat umano ang insidente sa hindi pagkakaunawaan kaugnay ng usapin sa lupa na nauwi sa pananakit at pagkamatay ng biktima.

Sumuko naman kalaunan ang suspek matapos ang insidente at kasalukuyan na ngayong nasa kustodiya ng pulisya para sa kaukulang imbestigasyon.

Lumilitaw sa inisyal na pagsusuri na matagal nang may tensyon ang magkabilang panig na pinalala ng kakulangan sa agarang pagresolba ng hidwaan.

Nakakahiya daw ako sa 'image ng church' for openly talking about politics. Di nila nakikita na kaya ako hayagan na ring nanindigan ay dahil din sa mga iilan na hayagan din ang suporta sa taong binalahura at nilapastangan ang Dios. O baka alam nila, pero pikit-mata. 🙏

Some even say maghihintay nalang daw sila sa parusa ng Dios sa akin. As if they wished so desperately that something bad happens to me and think of it as 'God's punishment'. 😊

Sila yung mga panay 'Praise the Lord' sa church meetings. The very same people na tahasang sinusuportahan ang taong proud na nagbibiro tungkol sa r a p e, kumikitil ng buhay na parang dios, at hayagang nilalait ang Dios.

Hindi ako pasok sa 'standard' ng pagiging Kristyano ng iba. Maraming beses na nagkamali, maraming beses din napatawad. Kaya naman wala akong maipagmamalaki kundi ang 'habag ng Dios' sa bawat araw. Kung wala ang biyayang yun, wala ring saysay lahat ng ginagawa ko ngayon.

But one thing is clear to me:

I AM NOT HERE TO PLEASE YOU.

HINDI AKO MANANAHIMIK KAPAG ANG DIOS NA NAGLIGTAS SA AKIN ANG NILALAPASTANGAN. 🙏

happy father's day, papa/dada rody. as much as we talk, the kind of man you are never lets me run out of things to say.

i talk to you 4 times a week, i see you every other month, but i feel you in every wave of silence and every strike of the crowd.

papa rody, out of all these proud public servants, who cry righteousness in their suits and treat politics as a stage, you always knew it was meant for service. nanay soling may have said you would end up as a "kargador" but i know deep down she always knew you were an exception. you always had a way with people. you indeed unreluctantly carried them, without a hint of what it would weigh—like i always say, at the expense of everything and everyone you have.

i deemed it normal to have felt this sense of territoriality when people called you tatay, but it would be an insult to the gravity of your sacrifices to just call you "president". papa rody, you are the best papa—but an even better patriot, tatay digong.

BULLYING SA PAARALAN

CYBERBULLYING

Bashing, trolling,
o paninira online

GENDER-BASED

Panunukso dahil
sa kasarian

PSYCHOLOGICAL O EMOTIONAL

Sadyang pananakit sa
emotional wellbeing o
pagpapakalat ng tsismis

SOCIAL

Paninira sa reputasyon,
lalo ng PWD o
Indigenous people

Precursor behaviors: Ang mga simpleng kiliti, asaran, o pasaring pero paulit-ulit na ginagawa ay hindi pa bullying ngunit puwedeng papunta na roon.

KANINO MAGSUSUMBONG

1ST LEVEL

Para sa “minor bullying,”
teacher ang susubok na magresolba

2ND LEVEL

Para sa “serious bullying,”
learner formation officer ang aaksiyon

3RD LEVEL

Kung may banta na sa kaligtasan ng bata,
principal na ang hahawak ng kaso

NO! Binababoy nyo ang interest at desisyon ng 32Million na Pilipino. Hindi nyo ginalang ang halal ng bayan! If you really stand for accountability, present yourself sa court! Huwag na tayong maggagohan, alam naman nating may kapalit ang pagtulak nyo ng impeachment! Ang kakapal ng mukha ninyong gamitin ang salitang accountability na kayo man ay sangkot sa mga allegation ng nakawan sa kaban ng bayan. Ang kakapal ng mukha nyong gamitin ang taumbayan para sa sinusulong nyong mga personal na interest!

Ang interest ng taumbayan ay hayaan nyong makapagtrabaho ng maayos ang aming niluklok na Bise Presidente! Ang interes ng bayan ay gawin syang pangulo ng Pilipinas. Kayo ang humaharang sa tunay na interest ng mga Pilipino.

2 suspek sa pagpatay sa Maguad siblings, kulong ng 22 hanggang 37 taon!

Millennials' Voice 3m • 🌐

Huwag po tayong magpabudol sa fake news at maling interpretasyon sa batas.

Marami pa ring misinformed na hindi nakakulong at walang kaso ang mga menor de edad na nakagawa ng malubhang krimen.

Mali po yun.

Halimbawa na nga dito yung kaso ng Maguad Siblings kung saan napatunayang may discernment ang dalawang suspek kaya sila ay hinatulan ng korte na makulong ng 22 hanggang 37 taon nang walang parole.

Sa ilalim ng RA 9344 (Juvenile Justice and Welfare Act), ang automatic exempted lang sa criminal liability ay ang mga 15 years old and below. Kapag lampas 15 ka na kahit isang araw lang “above 15”, sasailalim ka sa discernment assessment.

Kung napatunayang alam mo ang ginagawa mo, pananagutan mo ito sa batas at makukulong ka.

Magsaliksik muna bago magpakalat ng maling impormasyon.

Malinaw po na FAKE NEWS ang mga naturang post na nilikha ni Tito Jonel o si JONEL BERDAN na kilalang FAKE NEWS PEDDLER at nagkakalat ng mga PEKENG obituary posts ng mga artista at personalidad. Mahahalata din naman po na AI-generated ang post dahil po hindi tugma ang mukha ng isang personalidad sa tunay na mukha ni Sir Jimmy Duavit. Altered din ang mukha ni Direk Coco doon.

Sir Keir Starmer has announced a timetable for his resignation as prime minister.

He says he is resigning as leader of the Labour Party, and has informed the King of his decision.

Starmer says he has asked Labour's National Executive Committee to set out a timetable for a Labour leadership contest, with nominations opening on 9 July.

Nominations will close before the summer parliamentary recess, on 16 July.

In the case of a contest, this will ensure there is a new Labour leader by the time parliament returns in September.

TARSIER SPOTTED IN MINDANAO! 🐿️

A “wild and rare” Philippine tarsier, locally known as “mal,” was sighted in a cornfield in T’boli, South Cotabato on Saturday, June 20.

The Department of Environment and Natural Resources reminds the public that tarsiers are protected wildlife species and should not be disturbed, captured, or kept as pets.

TINGNAN: Patuloy na nagpapagaling sa ospital ang ilan sa mga nasaktan sa nangyaring pamamaril sa San Jose National High School sa Tacloban City, Leyte kaninang umaga, June 22, 2026.

"The Tacloban City Government strongly condemns this act of violence and assures the families of the victims that they are not alone during this difficult time. Assistance is already being extended, and the City Government remains committed to providing continuous support and necessary interventions to the victims and their loved ones as they navigate this ordeal," ayon sa social media post ng Tacloban City Information Office.

How BAYAN proposes to achieve its objectives, is through the distribution of power but

Sen. Erwin Tulfo, in a press statement yesterday, said he would push for legislation that would enforce "no work, no pay" for key government officials when they don't go to work without a clear reason.

## LOOK: MARCOS INSPECTS METRO CEBU EXPRESSWAY SEGMENT IN NAGA

President Ferdinand "Bongbong" Marcos Jr., together with Department of Public Works and Highways (DPWH) Secretary Vince Dizon, Department of Trade and Industry (DTI) Secretary Maria Cristina "Cris" Aldeguer-Roque, and Cebu Governor Pamela Baricuatro, inspected the ongoing construction of the Metro Cebu Expressway in Naga City.

The DPWH is currently undertaking Segment 3A, a 4.55-kilometer section spanning Barangay Pangdan to Barangay Cantao-an.

The segment is part of the 56.94-kilometer expressway project that will connect Naga City in southern Cebu to Danao City in the north, aiming to improve mobility and ease traffic congestion across Metro Cebu.

“HINDI KO KINUKUNSI... ANG KRIMEN”

Nilinaw ni Tuesday Vargas na hindi niya kinukunsinte ang krimen sa gitna ng diskusyon kaugnay ng Tacloban school shooting.

Gayunman, sinabi niyang mas komplikado ang problema kaysa sa simpleng pagpapababa ng age of criminal responsibility.

OUR LADY OF LOURDES PRAYER FOR HEALING -

Our Lady of Lourdes, ever-Immaculate Virgin, Mother of Mercy, health of the sick, refuge of sinners, and comforter of the afflicted, you know my needs, troubles, and sufferings; look upon me with mercy. By appearing in the Grotto of Lourdes, you made it a privileged sanctuary, from which you dispense your favors. Many sufferers have already obtained healing of their infirmities, both spiritual and corporal. I come, therefore, with complete confidence to implore your maternal intercession. Obtain, O loving Mother, the granting of my requests. (Mention your petition.) In gratitude for your favors, I will strive to imitate your virtues, so that I may one day share your glory and bless you in eternity. Amen.

BOSS LIAM GUSTO PA RIN ANG MGA THIRST TRAPPERS!

Habang maraming netizens ang humahanga kay Lans dahil sa kanyang natural na ganda at simpleng dating, mukhang si Boss Liam ay hindi pa rin nagpapadala sa hype.

Marami ang nagsasabing sapat na raw ang simpleng ngiti at natural na ganda, pero mukhang si Boss Liam ay nananatiling tapat sa kanyang paboritong menu.

Kanya-kanyang panlasa lang talaga. May mahilig sa kapeng barako. May mahilig sa milktea. At may mga taong kahit may malamig na buko sa tabi, hahanapin pa rin ang iced coffee na may extra toppings. 🤪

Ikaw anu panlasa mo mga ka Kwento?

FAKE: “Hindi naman makukulong ang mga namaril na menor de edad sa Tacloban City kasi hindi pa sila 18years old”

FACT: Ang mga suspek sa pamamaril ay parehong estudyante ng naturang school na may mga edad 14years old at 15years old. Ayon sa ating batas ang mga edad 15yrs old pababa ay hindi maaaring kasuhan habang ang 15yrs old pataas ay maaaring makasuhan kung sakaling may act of discernment.

Ngunit batay din sa ating batas, ang 12-15 Years Old na napatunayang nagkaroon ng mahigpit na pagkakasala (murder) ay mapupunta sa pangangalaga ng DSWD at mailalagay sa Intensive Juvenile Intervention and Support Center, sakaling mapatunayan at hindi ito nagbago ay haharapin nila ang kanilang kaso sa pagtuntong nila ng 18 years old at tuluyan ng makukulong.

Samantala ang mga 15 years old pataas ay maaaring makasuhan sakaling mapatunayang may act of discernment o may kabuuang pang-unawa na ito sa kaniyang mga nagawang kasalanan, ang magpapatunay dito ay ang mga propesyunal at lalong lalo na ang judge. Sakaling mapatunayan ay makakasuhan siya sa nagawang kasalanan.

Karagdagan pa ay magkakaroon din ng kaso ang mga magulang ng mga menor de edad dahil sa pangyayari.
